NEGRONI

60 AED

The Negroni is a timeless Italian classic, born in Florence in the early 20th century. Legend has it that Count Camillo Negroni, seeking something stronger than his usual Americano, asked his bartender to replace soda water with gin. The result was a perfectly balanced cocktail, bitter, sweet, and bold that quickly became a symbol of Italian aperitivo culture. Served over ice with a twist of orange, the Negroni is more than a drink; it's an invitation to slow down, savor the moment, and embrace the art of Italian living.
